Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the York Road at Canadian Pacific Rail Road Grade Separation Project in Fiscal Year 2024. The entity to receive funding for this project is the Village of Bensenville located 12 S. Center Street Bensenville, IL 60106. The funding would be used for a grade separation at York Road at the Metra/Canadian Pacific Railroad tracks. The project is an appropriate use of taxpayer funds because this would mitigate traffic increases expected as a result of the Canadian Pacific and Kansas City Southern merger. This will help mitigate the impacts of the merger on the motoring public, businesses, and emergency responders.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez
Member of Congress
